SEPTEMBER 16 - Join the Mill Creek Watershed Council of Communities at Twin Creek Preserve (formerly known as the Confluence Project) for a free lunch and informative tour at Sharonville's new streamside park. This is your chance to:

- See a stream and wetland restoration project nearing completion at the confluence of the Mill Creek and East Fork Mill Creek
- Learn how we can improve water quality, enhance natural habitat, and create recreational walking trails while reducing Mill Creek flooding
- Meet the people behind the project
- Eat a grilled lunch with a vegetarian choice

When: September 16, 2011

Time: 11:00 AM - 1:00 PM

Where: Sharonville, OH ([Directions](#))

Please RSVP to Annie Rahall by Wednesday, September 7 at

Project Partners:

- Butler County Water and Sewer Department
- City of Sharonville
- AMEC Engineering and Consulting, Inc.
- Metropolitan Sewer District of Greater

September 7 at

What is the Twin Creek Preserve project?

Twin Creek Preserve is a 30-acre stream restoration and floodplain wetland creation project where the East Fork Mill Creek flows into the main stem of the Mill Creek. Project site is near Mosteller Road just north of the I-275 and I-75 interchange in Sharonville, Ohio. This project is funded by two Ohio EPA Grants. To learn more visit www.millcreekwatershed.org/confluence-project.

Our Mission

The Mill Creek Watershed Council of Communities enables the Mill Creek communities to protect and enhance the value of the Mill Creek, its tributaries and watershed. Through collaborative action, the Council strives to make the Mill Creek area a more desirable place to live, work and play.
