

2015 Large Grant Program – Award Recipients

The Butler County Storm Water District is pleased to announce awards totaling \$883,942.80 under the 2015 Large Grant Program. After reviewing, scoring and ranking applications, the Selection Committee has determined the following municipalities and projects will receive grant funds.

Region A

Liberty Township

Project Name: Lake Millikin

Requested Amount: \$461,830.50

Region B

Ross Township

Project Name: Salt Storage Barn

Requested Amount: \$150,000.00

Wayne Township

Project Name: Heavenly Acres Drainage Project

Requested Amount: \$272,112.30

The goal of the Butler County Storm Water Districts Large Grant Program is to fund local projects that advance restoration of local surface waters by improving water quality and or reducing flood risk through activities that support community revitalization and local priorities.
