

Butler County Stream Team

Dec News - 2017

Just a reminder that we don't sample this month.

We hope that you have a safe and happy holiday and we look forward to seeing you in the New Year.

2018 Sampling....?

We hope that you will still be a part of Stream Team in 2018. Please let me know if you are planning to sample in 2018, if you have not already done so. Also, let me know if there are any concerns about safety or other issues with any of your sampling sites. The best way to reach me is [by email](#) as I'm never in one place for long. Thanks, Lynn

Do you know anyone in Wayne Township?

We are looking for a a sampler for the headwaters of Elk Creek. St Rt 503 and Mill Road is the nearest intersection. If you know of anyone, [please contact Lynn](#).

Future Newsletter items

If you see an article that you think would interest other volunteers, if you know of an interesting training or event, or if there is something that you are passionate about that you would like to share, just let me know. I'm always looking for content. As you can see there is none this month. Sorry my brain is fried after judging an 8th grade science fair this morning. If you have anything, I typically put the newsletter together on the Tuesday before the sampling day and send it out on Saturday morning. Again, [email works best](#).
