

## 2017 Large Grant Program – Award Recipients

The Butler County Storm Water District is pleased to announce the award recipients under the 2017 Large Grant Program. After reviewing, scoring and ranking applications, the Selection Committee has determined the following municipalities and projects will receive grand funds.

### Region A

No applications were submitted

### Region B

St Clair Township

Project Name: Salt Storage Barn – replacement

Madison Township

Project Name: Salt Storage Barn

The goal of the Butler County Storm Water Districts Large Grant Program is to fund local projects that advance restoration of local surface waters by improving water quality and or reducing flood risk through activities that support community revitalization and local priorities.

For additional information regarding the Large Grant Program, please visit the Storm Water District website (<http://stormwaterdistrict.org>).

If you have specific questions or concerns, please contact Eric Pottenger at 513-785-4121.
