

VOLUNTEERS NEEDED

Saturday, July 8th

Local volunteers will be cleaning up the Great Miami River from Indian Lake to the Ohio River on the morning of Saturday July 8th. The clean-up on Butler County's section of the river is being coordinated by numerous county agencies, municipalities, townships and companies.

Clean Sweep volunteers will pick up trash, tires, and other debris that does not belong along the river banks. The trash accumulated at each site will be disposed of by participating city, municipal, or township maintenance crews.

This is a great opportunity to get involved in your local community and help clean-up the Great Miami River. This event provides an organized, fun, and easy community service project for groups of all sizes including Schools, Scouts, Churches, and adult clubs & organizations.

A waiver will need to be signed by all participants and those 18 years of age or younger will need a parent or guardian signature. Pre-registration will be available and large groups are encouraged to pre-register. Appropriate attire will be required. All materials for the clean-up will be provided free of charge. Commemorative T-shirts will be distributed to each volunteer at the end of the event.

If you have a favorite spot along the river and would like to volunteer to be a site coordinator, contact one of the planners listed below. Also please contact us with any questions or if you are interested in helping any other way.
