

SOUTHWEST OHIO & NORTHERN KENTUCKY STORMWATER FIELD DAY

Plan on joining us aboard a river boat to learn how developers and contractors can meet sediment erosion control and storm water BMP requirements that protect local waterways. This day-long workshop will begin on land with demonstrations of BMPs led by experts eager to answer questions and share their knowledge. Attendees will then board the Belle of Cincinnati River Boat for lunch and speaker sessions about industry regulations and trends. CEUs will be offered.

Speakers:

Seth Brown, Director of Stormwater Programs for the Water Environment Federation.
Keynote speaker

John Mathews, Ohio EPA, DSW, Technical Assistance Manager
Ohio EPA Regulations Update

Matt Wooten, MS, Environmental Program manager SD1
Minimizing Storm Water Runoff Impacts through Targeted Flow Thresholds
